Respected Sir/Mam,
Greetings from Technex, IIT Varanasi & Innovians Technologies.

On behalf of **Technex, Indian Institute of Technology, Varanasi** as the host, it gives us great pleasure to introduce a national level workshop series based on **Advanced IoT (Internet of Things)**. Innovians Technologies will bring students from all over the country together to participate in the celebration of knowledge and creative extravagance along with experts from the fields of academic as well as industry.

This time **Advanced Workshop on Internet of Things** Workshop will be organised by **Technex, Indian Institute of Technology, Varanasi** in association with Innovians Technologies. We, Innovians Technologies provides workshop on various domains for different Engineering Branches on National as well as International Level.

Make your College Zonal Center of Technex, IIT Varanasi:

We are looking for Engineering College of National repute to host our 6 days workshop and competition at their college campus. If You wish to associate with us and want to make your college a workshop center of **Technex, IIT Varanasi & Innovians Technologies**. If you wish to organize any of the workshop, training or FDP then please contact us.

IoT Offline Workshops Center Requirements

- Engineering College/Institution should have a big seminar room/auditorium/lecture hall of seating capacity of (Minimum capacity of 60 seats.)
- A good Quality LCD Projector enough to maintain comfort ability.
- Public Addressing System (2 Cordless MICs.)
- Power backup and 220V AC power Points.
- Free Hospitality & accomodation for 6 days to our visiting delegation during workshopdays.
- Pick & Drop Facility from nearest railway station/bus station/airport.
- A minimum of 60 students will be required to participate in workshop.
- Participants need to bring their own laptop atleast 1-2 laptop per team with working wifi, usb & lan port.
- Wifi Connectivity in Seminar hall for Trainers & Participants -- MANDATORY.

Stages of Event

- **Round 1:** A Workshop will be organized at 30 different Zonal Centres/Colleges in India from Jul, 2023 to April, 2024.
- **Round 2:** A Zonal Round Competition will be organized at the Zonal Centre on last day of Workshop & two best performing team will get Certificate of Excellence from **Technex, IIT Varanasi & two teams of slected workshops will get direct entry in Final Round** competition to be held during **Technex, IIT Varanasi** in the month of Feb/Mar 2024.
- **Round 3:** A Final Round competition will held during **Technex, IIT Varanasi** among all the Zonal Centre winning teams in Feb/Mar 2024 and winning team will get Certificate of Excellence & Prizes.

About Workshop: Advanced IoT is a six days advanced level workshop on Internet of Things. Our Advanced IoT Workshop is completely hands-on based workshop wherein participants will create multiple projects on IoT Kits during the workshop. This Workshop will explore the best practices for integrating sensors, relay module, alexa/google home, MQTT, Google Sheets etc with NodeMCU Platform.

Workshop Highlights

- What "the Internet of Things" means and how it relates to Cloud computing concepts
- How open platforms allow you to store your sensor data in the Cloud
- The basic usage of the Arduino/NodeMCU environment for creating your own embedded projects at low cost
- How to control devices with your Android phone.
- How to send data to the Internet and talk to the Cloud.
- How to update sensor readings on Twitter (Social Networking Sites).

- How to control devices using Alexa/Google Home ?
- Control Electrical Appliances using Relay.
- Sending or receiving data through MQTT.
- Creating Data Logger on Google Sheets for storing sensor data using NodeMCU.

Topics to be Covered in Workshop

- Introduction about Internet of Things
- Basics about Sensors & Actuators
- Introduction about Cloud Computing
- AVR Microcontroller Programming
- Arduino Software Installation
- Introduction about NodeMCU
- Programming fundamentals (C language)
- Programming Basics:
- **Project 1:** Simple LED Program
- **Example 1:** Basic LED program
- **Example 2:** LED Blinking Program
- **Example 3:** Integrating IR Sensor with NodeMCU
- **Project 2:** Integrating Sensors & Reading Environmental Physical Values.

Subject: Invitation as a Resource Person for 5 days Workshop on "Solid Modeling by using SOLIDWORKS"

Respected Sir,

We are pleased to invite you as a Resource Person for the Seminar on "Solid Modeling by using SOLIDWORKS" for our SE Mechanical students scheduled on **Monday 15/04/2024 to Monday 22/04/2024**. Your expertise and knowledge in the area would add a great value to the one and all, especially the budding engineers of the country who require the guidance and path-breaking ideas to lead their way through the tough competition in the Global market on this day.

With your vast and in-depth knowledge in the area, you would be expected to deliver the 5 days workshop on the "Solid Modeling by using SOLIDWORKS" as we are aware of your great contribution to this field of work.

We look forward to your presence and guidance in making the event successful.

Thanking you.

Yours faithfully,

Dr. Y.R. Kharde

Ahmednagar

Dear Sir,

It was really a great privilege to have your presence at Workshop on "Solid Modeling by using SOLIDWORKS" which was held at our Institution from Monday 15/04/2024 to Monday 22/04/2024. I would like to express my gratitude for your valuable training sessions on "Solid Modeling by using SOLIDWORKS". Your valuable guidance had helped our students and staff for their future. On behalf of all the faculties of our institution, I greatly appreciate your expert training session and knowledge sharing.

I hope the same co-operation from you in near future.

Thanking you,

Received

Report on Solid modeling by Using Solidworks

Name of Event:-A Program on "Solid modeling by Using Solidworks"

Date: - 15/04/2024

Time: - 11.30 am

Venue: - In CAD Lab

No. of Sessions: - 15

Department: - Mechanical Engineering

No. of Participants: -61 Students & 2 Staff

Objective: - To create awareness and give hands on experience to students on Solidworks software.

Name of Expert: - Er. Akshay Karale (Owner-MechCAD Engineering, 3rd Floor, Kalika pride, Laltaki Road, Ahmednagar)

Event Description: - For the awareness of "Solid modeling by Using Solidworks", the college organized the program for Students which was conducted by Expert Er. Akshay Karale Owner of MechCAD Engineering, 3rd Floor, Kalika pride, Laltaki Road, Ahmednagar.

The session was started with in the presence of Principal Dr. Y. R. Kharde, H.O.D Mechanical department, Staff and Students. Er. Akshay Karale Sir introduce the students about importance of designing in industry. He also told that his company provides design solutions to companies like L&T etc. The Need of design and design engineer in industry should have some basic knowledge of modeling software's.

After giving all the information about design, he started with the practical session on Solidworks software. He started with sketcher module and assigned students with practice sketches. The doubt was cleared in training session and practice sessions. Session on Part modeling followed by assembly modeling and drafting was also conducted.

Hon. Principal Sir in his speech told the importance of Design engineer and also shared some tips for design engineer on how to identify problem in industry and find a solution for same.

Conclusion of Event: - Students got really benefited by attending this workshop. They are definitely aware about the use of SolidWorks software for design purpose.
